Use of Firearms by Municipal Police During Course of Duty Calendar Year — 1988

Regina Police Service

A surveillance team was following three suspects believed to be in the process of committing an armed robbery. As the suspects approached the financial institution, one had a mask in place and was in possession of a handgun. He was challenged and ran off. A shot was fired by police — the subject dropped the weapon and was arrested. No injuries.

Members were approaching to search a house for drugs. As they were entering the house a shot was fired from inside. Police discharged one round from a shotgun at the door. All found inside were charged with drug offences. No injuries.

Four members attended a residence area on a complaint of a dangerous pitbull dog. The animal charged at the members and two officers fired six rounds from a service revolver and eight rounds from a shotgun to kill the animal. A civilian dog catcher was struck by a ricochetting pellet from the shotgun.

Moose Jaw Police Service

During a high speed chase the wrong way on a four lane highway, three shots were fired at the suspect vehicle as it was forcing oncoming traffic off the road. The vehicle was finally stopped after three police vehicles were damaged. Vehicle had been stolen. No injuries.

Prince Albert City Police

Police chased a vehicle several kilometres from the city to a point where the accused abandoned the vehicle and was attempting to escape. One shot was fired into the air in an attempt to have the suspect stop. He was apprehended shortly after. No injuries.

Weyburn Police Service

Police became involved in a chase in the city and pursued it into the rural area. After the suspect vehicle ran two road blocks, two shots from a shotgun were fired at the tires of the vehicle, flattening a rear tire. The vehicle continued on and two police vehicles finally forced it off the road. Damage resulted to three police cars. No injuries.

Members responded to a complaint of a pitbull dog terrorizing children. The dog ran down a backlane and into a yard. A lady was holding her dog by the collar and the pitbull attacked that dog. Police fired one shot at the pitbull with a shotgun injuring the animal and a second shot was fired to kill it. No injuries to police.

Churchbridge Police Force

Member became involved in a high speed chase. Vehicle subsequently stopped and the driver of the vehicle would not get out of the vehicle. The driver reached for something on the floor and a warning shot was fired. Subject departed the vehicle. No injuries.

Unity Detachment

A vehicle which had been pursued became stuck in mud. Just as the member reached into the partially open window, the vehicle came free and dragged the member a short distance. The vehicle reversed and attempted to back over the member. A single shot was fired point blank at the left rear tire, deflating it. Pursuit continued for approximately 50 kilometres when the vehicle was stopped and the driver arrested. No injuries.

Melfort Detachment

Two members attended a complaint of dangerous use of firearms where a suspect had a sawed-off .22 calibre rifle and ran into the bush upon arrival of the police. He fired one shot and the police returned fire. The suspect then began to flee again, stopping once again and firing at the police. The members returned fire again. A few minutes later the suspect gave up. While being handcuffed he advised the officers he had been shot in the buttocks. No police injuries.

Activities of the Commission

Meetings

The Commission held six (6) regular meetings during the year to deal with normal business.

One Training Committee meeting was held on April 22nd, 1989.

Visits

The Executive Director, the Director of the Saskatchewan Police College and the Commission Officer continue to make on-site contact with the police departments around the province on work related matters and informal visits to ensure two-way communication is ongoing between the Commission, Boards, and the police community.

Crime Prevention

The Commission continues to give high priority to initiatives and efforts to reduce crime in the province. The increasing attention and involvement by the public at large is noteworthy, which is the result of the police and the public working towards a common goal — a safer community.

The Executive Director acts in a co-ordinating role, bringing the crime prevention officers, representatives of the Federal Solicitor General's Consultation Centre (Prairies) and the Minister of Justice together on a semi-annual basis to evaluate programs, identify needs, and to share new ideas and material.

The Crime Prevention Co-ordinators with the various police departments in the province are as follows, as of March 31st, 1989:

Regina — Sergeant Hank Lamer
Saskatoon — Sergeant John MacDonald
Moose Jaw — Constable Gerry Antosh
Prince Albert — Corporal Norm Bergen
Estevan — Constable John Chester
Weyburn — Sergeant Mike Rogal
RCMP — Sergeant H. B. Letain

The private sector provides excellent support for the various programs through publicity material, brochures, handouts, stickers, etc.

Saskatchewan Police College

Police Training

The Saskatchewan Police College, with offices and classrooms located at the University of Regina by virtue of The Police Act is under the authority and control of the Saskatchewan Police Commission.

The principle objective of the College is to provide training for all Municipal Police Departments in the province.

Courses are offered for all levels of personnel, from recruit to management and offered regularly on a semi-annual basis for recruits, junior constables, senior constables, effective presentations and introduction to management, and on an annual basis for fire investigation. Other courses and seminars are offered as funding permits.

The year 1988/89 proved to be a very progressive year in police training at the Saskatchewan Police College. One recruit class took place during the year, which allowed in-service training to increase to address many of the needs requested in previous years.

Backlogs in in-service training were reduced significantly during the budget year and several new courses were introduced which had been identified as high priority areas. In particular, a new three-week police manager's course was introduced to meet the need of middle managers within police departments.

A total of 443 candidates were trained in the year.

Five courses were decentralized from the Police College; 3 being in Saskatoon and 2 at other locations within Regina. In addition to the scheduled courses during the year, administrative personnel and instructional staff attended five other conferences and seminars dealing with a variety of topics from multiculturalism to high risk response and control tactics.
